RESOLUTION 74-2-4

WHEREAS, the main principal of the U.S. Constitution is 'Consent of the Governed'

WHEREAS Public Law 280 was imposed by Congress on Wisconsin Indians without their consent, at a time when (Termination) House Concurrent Resolution 108 was the National Indian Policy

WHEREAS, the restoration of the Menominee Tribe is an action by Congress which is a direct reversal of the House Concurrent Resolution 108

WHEREAS, Public Law 280 has eroded Tribal sovereignty by over reaction. The D.N.R. has arbitrarily imposed their regulations on Tribes in violation of Tribal Treaty Rights

WHEREAS, the external boundaries of the Oneida reservation is divided into two counties (Outagamie and Brown) making law enforcement unwieldy.

NOW THEREFORE BE IT RESOLVED that the Oneida Tribe of Indians of Wisconsin hereby declares it's desire to have all jurisdiction, both civil and criminal, on matters occurring within the Tribal boundaries retroceded to the Federal Government.
