Dear Ms. Cornelius:

In response to your letter dated March 25, 1992, concerning the removal of restrictions on the purchased trust property which you hold jointly with your ex-husband, Ronald Skenandore, we enclose an application for removal of restrictions for you to complete and return to this Agency.

Ronald must also complete the enclosed application so that both of you may handle this property without the supervision of the Bureau of Indian Affairs. By copy of this correspondence, we will similarly request that he complete application and return to us.

Upon receipt of BOTH executed applications, we will prepare and request the approval of Order Removing Restrictions by the Minneapolis Area Director in accordance with federal regulations. A copy of the approved Order Removing Restrictions will be forwarded to you for recordation in county records.

Approval of Order and recordation in county records will legally remove our jurisdiction from property. The subsequent management and sale or transfer of the land will become the responsibility of both you and your ex-husband subject to the applicable State laws.

By copy of this correspondence, we will also notify the tribe that you intend to remove restrictions and, if they are interested in purchasing, to contact us within 30 days.

If you require additional information, please feel free to contact our Realty Office at 715-682-4772.

Sincerely,

Robert R. Joeger

Superintendent
